December 1, 2017

Dear Friends,

Today, you may be thinking of all the things that make this approaching holiday season so precious and special. You may also be considering ways to share your prosperity, joy and kindness to those who mean the most to you.

The Philippine Cultural and Civic Center at Zablocki Park would be most honored to be a proud recipient of your financial help and support in response to this Year End Appeal.

Your tax-deductible gift will help sustain significant PCCCF programs such as the Free Medical Clinic, the Community Health Fair and Philippine Center building maintenance.

The Philippine Cultural and Civic Center Board is proud to announce the kick-off of a new and exciting brick and bench fundraiser which will continue into 2018. See attached flyer. The goal is three- pronged.

First: It will support the Free Medical Clinic, our strongest community out-reach program.

Second: It will address normal building maintenance expenses and ensuring a sound financial standing. The Milwaukee County Parks Department and PCCCF jointly maintains the Center. Last month, PCCCF undertook the painting of the main hall, corridors, upper level bathrooms and areas leading to the Free Clinic and the movable partitions at the clinic. A bulletin board has been put up for important notices and events. The Parks department has refinished the floors.

Third: Beautification of the front entrance of the Philippine Center will begin next summer to create a warm welcome to all who enter. Funds are being raised for a project to upgrade the upper level rest rooms.

Phase I will consist of two parts.

Part A will lay an apron of bricks around the flag poles. Bricks may be purchased and engraved with your family name in celebration of the Center's importance to your family. Bricks may also be engraved in honor of or in memory of special people.

Part B will set up nine benches on a concrete slab in the front lawn.

Benches may be purchased and engraved with your family name or donated in honor of or in memory of special friends.

Phase II (at a later date) will lay a brick pathway linking the front entrance with the parking lot.

Your generous response to the Philippine Center's Year End Appeal will ensure the future and the continuance of its philosophy and commitment to "giving back" to the greater community.

Please mail your check donations, payable to PCCCF, to the Philippine Center, 3717 W Howard Avenue, Greenfield WI 53221. Your gift must be postmarked by December 31, 2017 to be deducted this year.

Please accept our sincere thanks. Merry Christmas and a Happy New Year !

Thank you.
